

CONSTRUCTION PROJECT MANAGER

The Housing Authority is seeking a team-oriented candidate to oversee projects and initiatives in support of the Alameda Housing Authority (AHA)'s affordable housing developments to be hired at the Construction Project Manager level, depending on qualifications. This may include rehabilitation of properties, re-use and updating of Authority facilities, and administration of financing/funding for projects that are funded through a variety of private, federal, state and local sources.

To apply, submit a:

- Housing Authority Employment Application
- Resume (three pages maximum, include months/years of employment), and
- Responses to the supplemental questions (two pages maximum)

Your resume and supplemental questions must be in Word or pdf format and uploaded into the employment application form. The AHA application form is located in the Working With AHA>Current Job Openings section of the Housing Authority's website at <http://www.alamedahsg.org>. The full job description and supplemental questions are on the Open Positions page in Employment Opportunities.

Position is open until filled. First review of applications on May 30, 2024 at 5:00 p.m. PST. AHA reserves the right to interview candidates before the deadline.
