

ARE YOU A DETAIL-ORIENTED PROBLEM SOLVER WITH A PASSION FOR ENGINEERING AND A TALENT FOR TECHNICAL DRAWING?

ENGINEERING TECHNICIAN I/II

SALARY: \$31.86 - \$43.04 HOURLY
\$5,523 - \$7,460 MONTHLY
PLUS AN OUTSTANDING BENEFITS PACKAGE

POSITION

This position performs various tasks in the office and field, both technical and administrative, supporting the Public Works Department and the City Engineer. The Engineering Technician I/II will be the primary contact person providing assistance and referrals to visitors at the City's Corporation Yard. The incumbent may be assigned duties related to compliance programs and reporting, engineering projects, and capital projects. City employees are expected to work equally well with all community members regardless of cultural differences or circumstances, including race, ethnicity, religion, language, gender identity, age, marital and familial status, sexual orientation, diverse physical and learning abilities, socioeconomic status, and other identities.

QUALIFICATIONS

Level I

Education: High School Diploma or equivalent supplemented by courses in trigonometry and computer aided design and drafting. College-level coursework or other formal training in mathematics, construction practices, surveying, or computer-aided design are desirable.

Experience: Some experience in construction, technical drawing, drafting, creating or reviewing plans, or performing computer-aided drafting along with at least six months of customer service experience.

Level II

Education: High School Diploma or equivalent and post high-school coursework, training, or experience in civil engineering, drafting, geography, plan review, construction management, or a similar area.

An Associate's degree, or the completion of two years of college-level coursework in civil engineering, geography, architecture, landscape design, or public administration is desirable.

Experience: Two (2) years of responsible experience performing technical civil engineering support work involving the use of CAD or GIS, extensive public contact, and document processing of which one (1) year involves reading and interpreting plans, preparing permit application files for review, or other permitting activities, preferably with a public agency.

License and Certifications:

Possession of, or ability to obtain, a valid California Driver's license. Individuals who do not meet this requirement due to a physical disability will be considered for accommodation on a case-by-case basis.

APPLY NOW
