ABOUT THE POSITION

The Redwood City Fire Department is seeking individuals for the position of Cadet Firefighter. The Cadet Firefighter Program is designed to allow students an opportunity to gain firsthand knowledge of fire department operations. Fire Department Cadets spend a minimum of 48 hours and a maximum of 96 hours per month at the firehouse, participating in calls for service, station duties, and training. Cadets will also be expected to attend department-sponsored community functions outside of their 96-hour monthly commitment. Though the goal is to immerse the cadet into all aspects of fire department life, they are not allowed to participate in situations deemed Immediately Dangerous to Life and Health (IDLH).
