FINAL FILING DATE: Friday, September 15 2017 @ 5:00 p.m.

## Heavy Equipment Mechanic

Hiring Range: \$3,553 - \$3,909 Monthly + Benefits

The County of Yuba is currently recruiting for one (1) Heavy Equipment Mechanic in the Public Works Division of the Community Development & Services Department. Under general supervision, the heavy equipment mechanic independently performs the full range of maintenance and repair duties on a wide variety of vehicles and equipment, including automobiles, heavy and light duty trucks, off-road equipment, small engine powered equipment and operate a variety of hand, power and shop tools and perform related work as assigned. This classification requires specialized knowledge, skills and experience in equipment maintenance. This position will report directly to the Supervising Mechanic.

### Ideal Candidate:

The ideal candidate will have a highly developed mechanical background knowledge particularly with gasoline and diesel engines, standard and automatic transmissions, hydraulic systems, cooling systems, and electrical systems while using initiative and independent judgment. The candidate will exhibit strong teamwork, verbal, and written skills.

### Required Qualifications & Requirements:

**Minimum:** Graduation from high school and two years of journey-level experience in the maintenance and repair of vehicles and/or heavy construction equipment.

**Preferred:** In addition to the above minimum, possess a California Class A or B driver's license or certification of technical school training in automotive, heavy duty truck or off-road equipment mechanics, and three additional years of journey-level experience as indicated above.

**Working Conditions:** Typical heavy equipment garage and onsite repairs. Work with exposure to potentially hazardous fuels, oils, solvents and nearby moving mechanical parts. Work under adverse conditions, such as heavy rain, snow, wind, heat and smoke

### About the Public Works & County:

Public Works is a division of the Community Development & Services Department. It is the mission of the Public Works Department to maintain, repair, design, and construct County roads, bridges, and storm water drainage systems in accordance with local, state, and federal laws/standards, and in a manner that maximizes public safety; review and approve land development projects as they relate to the County road, drainage, and park systems, as well as the County Surveyor function; administration and maintenance of the County parks and County Services Areas; and pursue and obtain federal and state funds for the County roads, bridges, storm drainage systems, and parks. In supporting the County mission, the Public Works Department provides protection of the public investment in the County's existing road system and public safety by maintaining and improving overall roadway conditions.

Yuba County is situated in the Northern Sacramento Valley, approximately 40 miles north of the State Capitol in Sacramento and two hours away from San Francisco and Lake Tahoe. The boundaries stretch from the farms and orchards of the valley to the timberlands of the Sierras. Yuba County offers its residents the many advantages of a rural lifestyle away from the pressures of the urban areas. The County's rivers, lakes and outdoor recreation areas provide excellent hunting, fishing, boating and skiing opportunities. Our County vision is to create a "golden" future for Yuba County by Inspiring a community of participation, embracing our unique history, and discovering the wealth of our untapped potential.
