

JOB OPPORTUNITY

SENIOR TRANSPORTATION ENGINEER

Job Duties

- Develops and manages cross functional teams from across Public Works divisions to complete major, complex City transportation projects.
- Manages and Implements programs and projects identified in the Mobility Action Plan, Active Transportation Plan, and Vision Zero Action Plan.
- Leads staff team, including assigning and establishing work priorities, evaluating performance, and facilitating staff training and development.
- Coordinates with other agencies on regional transportation issues and develops partnerships to support the City's goals.
- The complete job description can be viewed [here](#).

City of Fremont is an innovative city in the heart of the Bay Area and Silicon Valley, known for clean technology, advanced manufacturing, low crime, excellent schools, quality parks and a diverse population of over 230,504 residents. As a significant economic force in the region, Fremont aims for innovation in municipal government led by City Council and City Manager.

Qualifications

Any combination of education and/or experience that has provided the knowledge, skills and abilities necessary to satisfactory job performance would be qualifying. A typical way to obtain the required knowledge, skills and abilities would be:

Education and/or experience equivalent to graduation from an accredited college or university with a Bachelor's degree in Civil engineering
and
 Five (5) years of professional Transportation engineering experience at the fully qualified working level.

Is This the Role For You?

The ideal candidate would possess or have **experience** and **knowledge** in a governmental/municipal setting and possess **valid registration** as a traffic or civil engineer issued by the California State Board of Registration for Professional Engineers. *Dual registration is desirable, but not required.* They must also be an **exceptional manager and leader** of people who can energize mutli-disciplinary teams to continually learn and apply new skills and techniques to respond to community needs. **Strong communication skills** and **ability to manage multiple high priorities** are highly preferred.

Annual Salary Range
 \$134,686 - \$181,825
 Commensurate with Qualifications and Experience
